

Expressions on the Wall: Celebrating Languages Through the 'Bhasha Wall' **Initiative at M.K DAV Public School, Daltonganj**

Today, another meaningful activity was organised as part of the celebration of Bharatiya Bhasha Utsav 2025 wherein students collaboratively designed a vibrant Language Wall on the school campus. The display blossomed into a colourful mosaic of words, greetings, proverbs, and simple expressions drawn from a wide range of Indian languages. Each contribution added a unique shade of linguistic beauty, transforming the wall into a living canvas that celebrated unity through diversity. The initiative invited students to pause, read, reflect and appreciate the wealth of expression carried by every tongue, making the corridor come alive with cultural warmth and multilingual pride.

The Honourable Principal, Mrs. INDRANI CHATTERJEE admired the students' creative involvement and observed that such initiatives make language learning joyful, meaningful and visually engaging. She further noted that the Language Wall nurtures curiosity, fosters inclusivity and encourages learners to embrace India's linguistic heritage with openness and respect. She affirmed that activities like this deepen cultural understanding and inspire young minds to take pride in the rich linguistic tapestry that defines the nation.
