

A Golden Distinction in Sanskrit Olympiad

M.K. DAV Public School, Daltonganj takes pride in the remarkable achievement of Abhinav Vardhan, a student from class VII, who was awarded a Gold Medal in the Sanskrit Olympiad conducted in July 2025 and organised by the Central Sanskrit University .

The distinction bears special significance as it celebrates Abhinav's command of Sanskrit, a language whose literary richness and intellectual heritage continue to find relevance in contemporary Education. His accomplishment stands as a fine instance of disciplined scholarship finding its rightful place on a wider academic platform. The Gold Medal brings honour to the Institution and places Abhinav among the students whose academic pursuit has earned a notable National-level recognition.

The Honourable Principal, MRS. INDRANI CHATTERJEE regarded the achievement as a notable confluence of classical learning and youthful scholarship. She observed that Sanskrit, with its remarkable rich philosophical depth and literary wealth, offers students an intellectual landscape that extends far beyond the confines of a classroom. In her view, Abhinav's accomplishment carries a special significance because it shows how a language rooted in India's ancient intellectual tradition can continue to inspire a growing scholarly interest in the present day. She expressed the hope that Abhinav's accomplishment would inspire a wider interest among students in the literary heritage of Sanskrit opening their minds to the vast repository of knowledge and thought that the language continues to preserve.
