

## **Admission Test Conducted Smoothly for Foundational Classes at M.K DAV Public School, Daltonganj**

The school campus witnessed a vibrant and enthusiastic atmosphere today as the admission test for Nursery, LKG, UKG and Class I was conducted successfully. A large number of children, accompanied by their parents, participated in the process reflecting the trust and interest of the community in the institution.

For Nursery, no written assessment was held. Instead, both parents of the ward were invited for an interactive session which helped the school understand the child's background and readiness in a warm and comfortable environment. For LKG, UKG and Class I, the admission process included both written and oral assessments designed to gauge the age-appropriate learning skills and overall development of the children.

The entire admission procedure was carried out in a systematic, transparent and child-friendly manner ensuring ease and comfort for both children and parents. Teachers and staff members extended full cooperation to make the day smooth and stress-free.

The results of the admission test will be declared on 22nd December, 2025. Parents can check the results online as well as offline, as the list will also be displayed on the school notice board.

The Honourable Principal, Mrs. INDRANI CHATTERJEE appreciated the enthusiastic participation of parents and students and commended the staff for their efficient conduct of the admission process. She reiterated that the school is committed to nurturing young learners through a holistic and supportive educational environment and thanked parents for placing their trust in the institution.
