

Embracing New Beginning: An Official Welcome to the Class XI at M.K DAV Public School, Daltonganj

Today, the morning exuded a sense of warmth and positivity as the school community gathered for a special assembly to welcome the Class XI students. The assembly commenced with a melodious welcome song by the school choir setting a pleasant and graceful tone for the occasion. The highlight of the event was a heartfelt address by the Class XII seniors who warmly welcomed their juniors and motivated them to remain focused dedicated in the years ahead.

Following this, the Honourable Principal, MRS INDRANI CHATTERJEE delivered an inspiring welcome note officially inducting the students into this pivotal phase of their education. Rather than focusing solely on traditional greetings, she laid out a comprehensive academic roadmap emphasizing the shift towards specialized study and the importance of disciplined inquiry. She encouraged the students to view these two years as a transformative journey of both intellectual rigor and personal growth, setting a clear and motivating vision for the challenges and triumphs of their Senior Secondary odyssey.
