

## **Phase-1 Admission Test for Class XI (Science & Commerce) Successfully**

### **Conducted at M.K DAV Public School, Daltonganj**

The school conducted a well-organised admission test today for students seeking entry into Class XI in the Science stream (Physics, Chemistry, Mathematics / Physics, Chemistry, Biology) and the Commerce stream. The assessment witnessed enthusiastic participation from aspiring learners and was administered in a well- regulated & disciplined environment that reflected the institution's commitment to academic excellence.

The test was thoughtfully designed to gauge students' conceptual clarity, analytical ability and subject readiness in alignment with the curricular demands of senior secondary education. Clear instructions, vigilant supervision and a student-friendly atmosphere ensured fairness and transparency throughout the process. The smooth conduct of the examination underscored the school's meticulous planning and robust assessment practices.

Sharing her perspective, the Honourable Principal, MRS.INDRANI CHATTERJEE stated that the admission test serves as a purposeful step to place students on pathways best suited according to their aptitude and interests. She emphasized that a structured assessment helps identify academic strengths early and enables the school to offer appropriate guidance and support at the very outset. According to her, the initiative reflects the institution's belief in fostering excellence through well-guided academic decisions, thereby laying a strong foundation for focussed learning, sustained growth and future success at the senior secondary level.
