

## **Students of Class IX Attend Live Pariksha Pe Charcha Session at M.K DAV Public School, Daltonganj**

As part of the Pariksha Pe Charcha initiative, the students of Class IX attended a live interactive session today in which the Honourable Prime Minister, Shri Narendra Modi , addressed students from across the nation. The session aimed at guiding young learners on how to approach examinations with confidence and a positive mindset.

During his address, the Prime Minister shared valuable insights on managing stress and overcoming fear related to examinations. He encouraged students to dream big, remain focused on their goals and draw inspiration from the lives of great personalities by reading biographies. His motivating words left a lasting impression on the students inspiring them to view challenges as opportunities for growth.

The session proved to be highly enriching as it helped the students gain clarity and motivation preparing for their examinations.

The Honourable Principal, MRS INDRANI CHATTERJEE stated that the initiative was undertaken to help students gain meaningful guidance at a crucial stage of their academic journey. She emphasised that listening to the Prime Minister's address encourages students to adopt a balanced approach towards examinations, where effort, self-discipline and emotional well-being go hand in hand. She further highlighted the importance of dreaming with purpose and learning from real-life role models, as reflected in the suggestion to read biographies. Reiterating the school's commitment to holistic development, she affirmed that such national platforms play a vital role in shaping confident, resilient and forward-looking learners.
