PICNIC DAY

Std.- V

A Colourful Day of Laughter and Leisure for Class II & V at M.K DAV Public School, Daltonganj

Today, the school radiated a lively festive charm as students of Class II and V enjoyed a refreshing picnic within the campus. The atmosphere buzzed with cheerful conversations and bright smiles as children relished their lovingly packed homemade food and spent the day exploring playful rides and engaging outdoor activities. Energetic games, rhythmic dances and carefree moments with friends filled the campus with warmth and enthusiasm turning the day into a vibrant celebration of togetherness and delight.

The Honourable Principal Mrs INDRANI CHATTERJEE expressed her happiness over the students' spirited participation and appreciated the teachers for creating a safe, joyful and well-structured recreational experience. She remarked that such days not only offer children a welcome break from routine but also nurture their social ease, spark imaginative engagement and support the steady blossoming of their young personalities.
