

**Students as Sentinels of Safety: Road Awareness Rally by students M.K DAV
Public School, Daltonganj**

As a part of Road Safety Month observance, an awareness rally was successfully organised by the students of Classes VI and IX with the noble aim of sensitising the rural community of Chianki about the importance of road safety. The young torch bearer of safety marched with confidence and conviction holding placards and raising impactful slogans that highlighted safe road practices such as wearing helmets, obeying traffic rules and safeguarding pedestrian lives .

The rally became a vibrant medium of social outreach reflecting the school's commitment to nurturing responsible citizens. Through their disciplined conduct and earnest message, the students effectively bridged awareness with action leaving a lasting impression on the local populace.

The Honourable Principal, MRS. INDRANI CHATTERJEE commend the students and teachers for taking this meaningful initiative beyond the school premises. She remarked that such experiential learning instils empathy, civic sense and social responsibility in young minds. May our children continue to be messenger of awareness reminding society that every life on the road is precious.
