HAPPY MAHAVIR JAYANTI

On the auspicious occasion of Mahavir Jayanti, we bow in deep veneration to the profound teachings of Lord Mahavira whose life remains a beacon of truth non-violence and spiritual awakening.

M.K. DAV Public School, Daltonganj extends its sincere obeisance on this sacred occasion. Lord Mahavira's message, though centuries old, speaks with quiet urgency even today- it calls for restraint in thought aligned with compassionate action and character shaped by purity of intent . In a world often marked by haste and discord, his path reminds us that true strength lies in self-discipline and inner clarity.

May this holy occasion inspire reflection in our students so that they not only learn these ideals but also practise them by becoming gentler and wiser in their daily lives. Let them grow into individuals who uphold truth while acting with sensitivity towards all living beings.

Wishing everyone an enlightening Mahavir Jayanti filled with peace and contemplation.

*With pious regards,
INDRANI CHATTERJEE
