

M.K. DAV Public School, Daltonganj Celebrates the Victory of Truth Through Morning Assembly

The morning assembly at M.K. DAV Public School, Daltonganj, was an uplifting occasion as the students of Mahatma N. D. Grover House presented the theme “Truth Always Wins”. The assembly brought an inspiring moral message to the school community and reminded everyone that truth retains its worth even when honesty demands courage.

The proceedings commenced with the pledge led by Aryan Pathak of Class IV B. Sristi Kumari of Class III A then presented the Thought of the Day which set the tone for the morning. Vinayak of Class V E recited a thoughtful poem on truth and honesty. Arshia Basu of Class IV D delivered an inspiring speech that emphasised the ultimate triumph of truth over falsehood. The programme was anchored by Tanmay of Class V A and Nitya Pandey of Class V E, whose confident presentation lent a cheerful rhythm to the proceedings.

The assembly witnessed a delightful interlude with a vibrant Garba dance performed by students of Classes III, IV and V. Their lively movements and festive energy brought a joyous charm to the morning and filled the assembly with colour and cheer. The rhythmic footwork and graceful coordination of the young performers gave the programme a distinct cultural character. Their spirited presentation won the admiration of everyone present.

The assembly left the students with a simple yet valuable lesson: 'Truth is not always the easiest path but it is always worth following'. It encouraged them to practise honesty in their everyday life and to uphold moral values even when circumstances test their integrity.

Addressing the assembly, MRS. INDRANI CHATTERJEE, the Honourable Principal of the Institution, appreciated the students for presenting the theme with sincerity and confidence. She remarked that truth is a guiding principle that shapes one's character and earns the trust of others. She observed that while falsehood may sometimes appear convenient, honesty gives a person the courage to face difficult situations with dignity. She encouraged everyone present to uphold truth in their daily conduct and to remember that the true worth of an individual lies not in avoiding mistakes but in having the courage to acknowledge them. She further noted that the values learnt in childhood become the foundation of character in later life. Her message added depth to the assembly's central theme and reinforced the importance of choosing truth, even when doing so requires courage.
