PICNIC DAY

Nursery & LKG

Joyful Campus Picnic for Nursery & LKG Learners organised at M.K DAV Public School, Daltonganj

On 2nd December, the school campus brimmed with laughter and lively sparkle as the Nursery and LKG students enjoyed a delightful in-house picnic . Carrying baskets of delicious homemade food, the little ones spent the day exploring the Children's Park, relishing fun-filled rides and participating enthusiastically in a variety of games organised by their teachers. Their cheerful dances to nursery rhymes and children's songs added charm to the celebration turning the day into a vibrant blend of joy, learning and togetherness.

Appreciating the efforts of the teachers and the radiant smiles of the young learners, the Honourable Principal, Mrs. INDRANI CHATTERJEE remarked that such experiences nurture social confidence, enhance emotional well-being and foster meaningful peer bonding. She further highlighted that playful learning environment encourages children to explore, imagine and grow, laying strong foundations for their holistic development.
