

A Two-Day Capacity Building Programme for Teachers Commences with Academic Fervour

A two-day Capacity Building Programme for teachers, organised under the aegis of DAV CAE , commenced today at the Regional Training Centre, DAV JH Zone – B & J, with a spirit of professional commitment and academic rejuvenation. The programme has been thoughtfully designed to enhance pedagogical competence, subject enrichment and innovative classroom practices among educators of the DAV institutions.

As per the schedule, the training is being conducted across three designated venues: DAV Kapildev Public School , Kadru, Ranchi (Mathematics, Computer Science, Physical Education, Fine Arts, Music and Library), DAV Public School, Gandhi Nagar, CCL, Ranchi (English, Hindi, Sanskrit, Social Science, Accountancy, Business Studies and Economics) and DAV Public School, Pundag, Ranchi (EEDP, General Science, Physics, Chemistry and Biology). The sessions aim to provide a collaborative platform for teachers to engage in meaningful academic discourse, exchange best practices and acquaint themselves with contemporary pedagogical strategies aligned with evolving educational standards.

The programme is being efficiently coordinated by esteemed academic leaders, including Sri M. K. Sinha and Sri S. K. Mishra, under the guidance of cluster heads Smt. Kiran Yadav and Sri Balram Jha whose visionary leadership has ensured the smooth organisation of this enriching initiative.

Expressing her views on the significance of the programme, the Honourable Principal, MRS. INDRANI CHATTERJEE remarked that such capacity building initiatives are instrumental in nurturing reflective practitioners who continuously strive for academic excellence. She stated that in an ever-evolving educational landscape, teachers must remain lifelong learners, equipped with updated methodologies and a progressive outlook. She further observed that the initiative reflects the institution's steadfast commitment to empowering educators with knowledge, skills and pedagogical insight, thereby enabling them to create dynamic, inclusive and intellectually stimulating classrooms.

The inaugural day witnessed enthusiastic participation from teachers across various disciplines marking the beginning of a purposeful journey of professional growth, collaborative learning and educational refinement. The programme is expected to leave a lasting impact by enriching teaching practices and strengthening the collective academic ethos of the DAV fraternity.
