

Honouring Scholastic Excellence: CBSE Class XII Achievers (2025-2026) Felicitated at M.K. DAV Public School, Daltonganj

Today, the Institution unfolded into a moment of academic pride and recognition, as its CBSE Class XII achievers for the session 2025–26, accompanied by their parents, were invited to the institution for a formal felicitation by The Honourable Principal MRS. INDRANI CHATTERJEE. A sense of warmth spread through the occasion with academic success being acknowledged through sincere appreciation and admiration.

A cent percent result was once again achieved by the Institution in both Science and Commerce streams as all enrolled students successfully cleared the CBSE Class XII Examination. A substantial number of learners secured first division while many attained distinction further attesting to the Institution's consistent academic strength.

Among the most distinguished performers, Jay Manjas Lakra was recognised as the Commissioner Topper in the Science stream while Geet Sharma received the same distinction in Commerce. Both were honoured with mementos, cups and certificates in recognition of their exemplary academic achievement which brought laurels to the Institution at the regional level.

Other meritorious students across both streams were felicitated with cups and certificates acknowledging their consistent effort and academic sincerity. In Science, Richa Kumari and Indrajeet Kumar were among the notable achievers while in Commerce, Kaushal Raj and Abhash Raj were recognised for their commendable performance across subjects.

Special recognition was also accorded to Mr. Tushar Ghosh and Mr. Sourav Das Gajendra Mahapatra for their dedicated mentorship which contributed significantly to students securing centum marks in Biology and Chemistry respectively. They too were honoured with mementos and certificates as a mark of appreciation for their guidance and contribution.

While extending a gracious felicitation to the achievers, The Honourable Principal interacted with them and their parents. In her address, she noted that the results reflected not merely achievement but the firm perseverance of students, their disciplined preparation, along with the steady guidance they received. She appreciated the faculty for their effective tutelage and acknowledged the role of parents in supporting the academic journey of the students.

She further remarked that the recognition of the Commissioner Topper and subject level excellence reflects the Institution's evolving academic culture where bright learners of the 21st century are carefully shaped. Encouraging the students to continue their pursuit of excellence, she advised them to remain focused and adaptable as they move towards higher academic goals.
