

As part of the CBSE Nayi Chetna 4.0 campaign, the Institution organised a meaningful Legal Awareness Programme for all staff members in collaboration with the District Legal Services Authority, Palamau . The programme was aimed at enhancing legal literacy and creating awareness about how the law safeguards individuals both at the workplace and within the home.

The session was led by Honourable Secretary, District Legal Services Authority, Shri Rakesh Ranjan and Honourable Deputy Legal Defence Counsel, Shri Santosh Pandey . The distinguished speakers sensitively explained various laws and legal provisions that protect individuals against injustice, harassment and abuse with special emphasis on protection from domestic violence. They highlighted how knowing one's rights empowers individuals to seek timely help ensures personal safety and promotes dignity and equality in everyday life. The discussion provided clarity on legal remedies and support systems available to citizens.

While addressing the gathering, the Honourable Principal, Mrs. INDRANI CHATTERJEE emphasised that awareness of the law is a vital step towards empowerment and security. She expressed sincere gratitude to the District Legal Services Authority, Palamau and the resource persons for their insightful and practical guidance. She further remarked that legal knowledge not only builds confidence among staff members but also enables them to create a safe, respectful and supportive environment for themselves and others. Reaffirming the school's commitment to the objectives of Nayi Chetna, she encouraged everyone to use this awareness responsibly and to spread the message of safety and justice.
