

Colours that Celebrate Leadership and Confidence: Creative Poster Design & Portrait-Making Event on Pariksha Pe Charcha at M.K DAV Public School, Daltonganj

To further amplify the message of Pariksha Pe Charcha, the school organised a Creative Poster Design and Portrait-Making Event where students expressed their thoughts through art with enthusiasm and purpose. The activity aimed at promoting a stress-free, confident and positive approach towards examinations while nurturing creativity among learners.

As a special highlight of the event, students drew portraits of the Honourable Prime Minister Shri Narendra Modi, saluting his dedicated efforts in guiding and motivating students through the Pariksha Pe Charcha initiative. With thoughtful strokes and expressive colours, the portraits reflected admiration, respect and gratitude for his vision of transforming examinations from moments of pressure into opportunities for self-discovery and growth.

Alongside the portraits, students designed vibrant posters conveying messages of self-belief, time management, inner calm and joyful learning. Each creation stood as a visual reminder that examinations are a part of life's journey, not its destination. The event created an atmosphere filled with inspiration, creativity and reflective learning.

The Revered Principal, Mrs. INDRANI CHATTERJEE lauded the students for blending creativity with awareness and purpose. She appreciated the thoughtful portrayal of the Hon'ble Prime Minister stating that such expressions reflect not only artistic skill but also an understanding of leadership that empowers and reassures the youth. She further emphasised that Pariksha Pe Charcha is a meaningful initiative that encourages students to face academic challenges with confidence, composure and clarity of mind. She concluded by encouraging students to continue expressing ideas creatively reminding them that when art carries a message, it has the power to shape minds and strengthen character.
