

A Tapestry of Traditions: Celebrating ‘Festivals of Many Tongues’ at M.K DAV Public School, Daltonganj

Carrying forward the vibrancy of Bharatiya Bhasha Utsav 2025, the presentation titled “Festivals of Many Tongues” illuminated the splendour of India’s cultural landscape. Students introduced the audience to the diversity of regional festivals each narrated through its linguistic heritage. From the vibrance of harvest celebrations to the serenity of spiritual observances each festival was presented with a blend of traditional attire, artefacts and expressions that highlighted the spirit behind it. The thoughtful narration demonstrated how languages act as vessels that carry history, customs and sentiment from one generation to the next.

The Honourable Principal, Mrs. INDRANI CHATTERJEE appreciated the enthusiastic involvement of the participants and remarked that such engagements cultivate cultural rootedness, widen perspectives and strengthen students’ respect for India’s inclusive and multilingual identity.
