

**Voices of Confidence through Pariksha Pe Charcha at M.K DAV Public
School, Daltonganj**

To further the spirit of the Pariksha Pe Charcha programme, a slogan writing event was organised for the students providing them a creative platform to express their thoughts on examinations and stress-free learning.

The participants enthusiastically penned short but impactful slogans highlighting the importance of confidence, positivity and a balanced approach towards studies. The activity encouraged students to reflect on their own experiences and convey motivating messages that promote calmness and self-belief during examinations. The event witnessed active participation and a vibrant display of creativity.

The slogan writing activity proved to be an engaging and meaningful exercise reinforcing the message that examinations should be approached with clarity of mind and confidence rather than fear.

The Honourable Principal, MRS. INDRANI CHATTERJEE articulated that the event was envisioned as a step towards nurturing confident, positive and emotionally resilient learners. She emphasised that expressing thoughts through meaningful words helps students develop a positive and stress-free approach towards examinations reaffirming the school's commitment to a supportive learning environment.
