

Invocatory Ceremony and Admit Card Distribution Programme for Class XII at M.K. DAV Public School, Daltonganj

Marking a moment of transition from preparation to performance, the institution organised a special programme for Class XII students, offering them encouragement, blessings and support ahead of their board examinations.

The programme opened with a symbolic Tilak ceremony , welcoming the students with warmth and goodwill while invoking positivity and confidence for the path ahead. This was followed by a sacred Havan , performed to seek the Divine blessings for perseverance and inner strength. The serene ambience enabled students to draw emotional strength before the challenges that lie ahead.

To mark the significance of this milestone, class-wise photography sessions were arranged capturing moments that reflected camaraderie and the culmination of years of dedicated learning. These images stood as silent witnesses to a journey shaped by discipline, aspiration and shared experiences.

Subsequently, the distribution of admit cards was conducted with care and order. Teachers used the occasion to extend guidance and moral encouragement reaffirming the institution's steadfast support and faith in its students.

On this solemn occasion, the Honourable Principal, MRS. INDRANI CHATTERJEE addressed the students with warmth and conviction. She encouraged them to approach the forthcoming examinations with focussed intent, sincerity and self-belief. Wishing them success in all future pursuits, she expressed her faith in their abilities and reinforced the conviction that the values nurtured within the school would continue to guide their choices and aspirations long after this academic milestone.
