

Buildathon 2025

They activity showcased their creativities and innovative spirit. Later during the interactive session with Principal Mrs. Indrani Chatterjee, the students shared their vision and ideas which were highly appreciated.

The Viksit Bharat Buildathon 2025 is nationwide innovation, NITI Ayog in which our school MKDAV PUBLIC SCHOOL, is also participating enthusiastically.

Today the students have connected through the live streams, where they were provided with detailed guidelines. Under the guidelines of their mentors the students have developed several innovative prototypes.

This campaign will continue till 31st Oct and it will be ended after the submission of all the innovative ideas and prototypes on CBSE portal.
